The amendment filed on 3-10-06 is non-responsive since Applicant was advised that a reply to the restriction requirement must include a listing of all claims readable on the species that is elected consonant with the requirement, including any claims subsequently added. Applicant is advised that an argument that all claims are generic is considered nonresponsive.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
